Visit "[Wish You Knew](#)" on MotoLyrics.com

It's midnight
And I watch
The lights
As they flicker
On and off
My heart
I can feel it
Prounce against my life
[Chourus:]

And I know that right now
My heart is flickering too
I know I know
But I
Wish you knew
[But I wish you knew]

[Chourus Ended]
Only if you knew
That he was the one
And that way that he said Goodbye
[Chourus:]

And I know that right now
My heart is flickering too
I know I know
But I
Wish you knew
[But I wish you knew]

[Chourus Ended]
I am here alone all night
Can't seem to see what's right
He said
Don't let the bed bugs bite

I know I know
But I
Wish you knew
Seems like she's hidden her love
[Wish you knew]
