And we set it all off with a doom when click is to dumb

Now that you know this song you know we come to

Til the ship blow up or we have it sold up watch how the

On the day I die with a mic on my hand and a fat ass lip

[Eklypss: Doomsday]

Ahh gets a evil lestic meant to rush
When I commit a shitted somethin bout them bloody

So sick and wicked bitches
Intensify my thoughts of homicide can't live this life
Gotta stick one in your dick skinnin you alive
But ain't no time to find a weakness in me
Set you on fire murda and don't bring no mercy with

So you could die and burn up
And me and my alibis gonna watch you die gettin high
Should of told your mamma get your casket ready left

[Chorus]
