My hate building inside, my fear growing strong.  
What the f\*\*k you're not good enough  
Somethin' I thought would last so long.

Slammin' my head  
Rackin' my brain  
From the torture and the pain

I can feel you hurtin me and I don't understand  
I won't take and I won't mend  
I won't break and I won't bend

Slammin' my head  
Rackin' my brain  
From the torture and the pain

My hate building inside, my fear growing strong.  
What the f\*\*k you're not good enough  
Somethin' I thought would last so long.

Slammin' my head  
Rackin' my brain  
From the torture and the pain
