I pledge allegiance to the flag. 3M up-grades the body bag.

Poison thorn flower, rituals on the hour.

Let's she'd some blood for the god of war. That foreign soil is ready to boil.

Caravan of insanity, desert of society.

Toys Worship Power, Toys Worship Power, Toys
Worship Power, Toys Worship Power

You pledge allegiance to a foreign flag. You're goin' home in a body bag.

All those who cower, the beast will devour.

Toys Worship Power, Toys Worship Power, Toys
Worship Power, Toys Worship Powe
