We're tied to our memories  
They won't let us stray  
We're not gonna lose ones  
We made yesterday  
We look to our future  
And we make all our plans  
As if we control what is out of our hands  
(Chorus)  
The world keeps on turning  
I'm learning to see  
Right where I am is where I have to be  
You can't count the pages  
All ages hear the call  
No matter how hard we try  
Life gets away from us all  
We start getting older  
The moment we live  
Look over your shoulder  
There's hindsight to give  
Come good days and bad days  
The sun's gonna rise  
So why look beyond what's in front of your eyes  
Repeat Chorus  
No matter how hard we try  
Life gets away from us all
