Nothin' on earth that'll get me hummin'  
Like a heat wave comin' and I'll come runnin'  
With her makin' that tan in the broad daylight  
And every night is a Saturday night  
And everything's right with the summer comin'  
I'm the first one standin' in line  
For my day in the sun I've been workin'  
'Til the sun don't shine

Takin' off my hat leave it to the boys  
Get that old work monkey down off my back  
All I want's a little peace and noise  
Hit the cruise control  
Get me back on track  
Let my old Ford treat me like a Cadillac

Nothin' on Earth that'll get me hummin'  
Like a heat wave comin' and I'll come runnin'  
With her makin' that tan in the broad daylight  
And every night is a Saturday night  
And everything's right with the summer comin'  
I'm the first one standin' in line  
For my day in the sun I've been workin'  
'Til the sun don't shine

When the day gets cookin' gonna grab my toys  
And it really doesn't matter which wave we're on  
Get to turnin' up them good old boys  
Crankin' into the night, by the break of dawn  
All the towns are red and I still see blonde

Nothin' on Earth that'll get me hummin'  
Like a heat wave comin' and I'll come runnin'  
With her makin' that tan in the broad daylight  
And every night is a Saturday night  
And everything's right with the summer comin'  
I'm the first one standin' in line  
For my day in the sun I've been workin'  
'Til the sun don't shine

For my day in the sun I've been workin'  
'Til the sun don't shine

For my day in the sun I've been workin'  
'Til the sun don't shine  
Summer's comin' to shine  
Summer's comin' to shine  
Summer's comin'
