(Clint Black & Lisa Hartman Black)

These times are troubled and these times are good  
And they're always gonna be, they rise and they fall  
We take 'em all the way that we should  
Together you and me forsaking them all  
Deep in the night and by the light of day  
It always looks the same, true love always does  
And here by your side, or a million miles away  
Nothin's ever gonna change the way that I feel,  
The way it is, is the way that it was

When I said I do, I meant that I will 'til the end of all  
time  
Be faithful and true, devoted to you  
That's what I had in mind when I said I do

Well this old world keeps changin', and the world stays  
the same  
For all who came before, and it goes hand and hand  
Only you and I can undo all that we became  
That makes us so much more, than a woman and a  
man  
And after everything that comes and goes around  
Has only passed us by, here alone in our dreams  
I know there's a lonely heart in every lost and found  
But forever you and I will be the ones  
Who found out what forever means

When I said I do, I meant that I will 'til the end of all  
time  
Be faithful and true, devoted to you  
That's what I had in mind when I said I do

Truer than true, you know that I'll always be there for  
you  
That's what I had in mind, that's what I had in mind,  
When I said I do
