People get ready there's a train coming  
You don't need a ticket  
Clime on board  
woooooooooooo !!!

Train arrive  
Sixteen cortege long  
Train arrive  
Sixteen cortege long

Will there be no train  
Took my baby, it's gone

Train, train  
Comin' round the bend  
Train, train  
Comin' round the bend

Yeah, there will be no evil train  
Took my one and only friend

Train, train  
Comin' down the line  
Train, train  
Comin' down the line

Well there will be no rock train  
Took me on and a friend of mine

Train, train  
Comin' down the track  
Train, train  
Comin' down the track

Yeah it took my baby  
And it never bring her back  
Alright

Away, away, away of India  
Away of India

Away, away, away, away of India  
Away of India  
That's right

Away, away, away of India  
Away, away, away of India  
That's right, that's right

Away, away, away of India  
That's right

Well, i woke up this morning got the crossroad on my  
mind  
Well, i woke up this morning got the crossroad on my  
mind  
Take a walk with me everything will work out fine

Well, i woke up this morning got the joit train on my  
mind  
Well, i woke up this morning got the joit train on my  
mind  
Take a walk with me everything will work out fine

Well, i woke up this morning got the eight miles on my  
mind  
Well, i woke up this morning got the eight miles on my  
mind  
Tale a walk with me everything, everything will work out  
fine

Well i woke up this morning got the crossroad on my  
mind  
Well i woke up this morning got the crossroad on my  
mind  
Take a walk with me  
Everything  
Everything  
Everything  
Everything gonna work out fine  
woooooooooo

Train, train  
Comin' down  
Took my baby  
Tokk my baby  
Took my love  
Away

Well i woke up this morning got nothin' on my mind
