Take the highway to the end of the night  
End of the night, end of the night  
Take a journey to the bright midnight  
End of the night, end of the night

Realms of bliss, realms of light  
Some are born to sweet delight  
Some are born to sweet delight  
Some are born to the endless night

End of the night, end of the night  
End of the night, end of the night

Realms of bliss, realms of light  
Some are born to sweet delight  
Some are born to sweet delight  
Some are born to the endless night  
End of the night, end of the night  
End of the night, end of the night
