Allright, wait a second  
We gotta really long show  
A hell of a show for ya  
A beautiful thing  
Allright now look... look  
We've seen a lotta things happen in the city  
And everything is turned around  
Everything is beautiful  
Nobody thought we'd be able to bring  
The Doors here and we did  
Well we got a couple of...  
-wait a second, man-  
Look we just got a couple of little things  
That we gotta tell you about  
The far and marshall:  
We not gonna let the show go on  
And I just had a long meeting with them  
And man, this is no joke  
You either gotta sit down  
And you gotta go back to your seats  
Or that's it man  
You gotta move back  
Hey look, hey look  
Wait a second  
Hold on  
Let's have a little help man  
Go on  
Everybody go back to their seats  
People are gonna get hurt up here  
Their gonna pass out  
And we don't want it man  
The Doors don't want it either  
Ladies and Gentlemen...  
...THE DOORS
