"Hyacinth House"

What are they doing in the Hyacinth House?
What are they doing in the Hyacinth House?
To please the lions this day

I need a brand new friend who doesn't bother me
I need a brand new friend who doesn't trouble me
I need someone, yeah, who doesn't need me

I see the bathroom is clear
I think that somebody's near
I'm sure that someone is following me, oh yeah
Why did you throw the Jack of Hearts away?
Why did you throw the Jack of Hearts away?
It was the only card in the deck that I had left to play

And I'll say it again, I need a brand new friend
And I'll say it again, I need a brand new friend
And I'll say it again, I need a brand new friend, the end
