I can't see your face in my mind
I can't see your face in my mind

Carnival dogs, consume the lines
Can't see your face in my mind

Don't you cry, baby, please don't cry
And don't look at me with your eyes

I can't seem to find the right lie
I can't seem to find the right lie

Insanity's horse adorns the sky
Can't seem to find the right lie

Carnival dogs, consume the lines
Can't see your face in my mind

Don't you cry, baby, please don't cry
I won't need your picture until we say goodbye
