There will never be  
Another one like you  
There will never be  
Another one who can  
Do the things you do, oh

Will you give another chance?  
Will you try, little try?  
Please stop and you remember  
We were together, anyway, all right

And if you have a certain evenin'  
You could lend to me  
I'd give it all right back to you  
A how it has to be with you  
I know your moves and your mind  
And your mind  
And your mind  
And your mind  
And your mind  
And your mind  
And your mind

Will you stop and think and wonder?  
Just what you'll see  
Out on the train yard  
Nursin' penitentiary  
It's gone, I cry out long

Go head, brother

Did you stop it to consider?  
How it will feel  
Cold, grinded grizzly bear jaws  
Hot on your heels

Do you often stop and whisper?

It's Saturday's shore  
The whole world's a savior  
Who could ever, ever, ever  
Ever, ever, ever

Ask for more?

Do you remember?

Will you stop?

Will you stop?

The pain

And there will never be

Another one like you

There will never be

Another one who can

Do the things you do, oh

Will you give another chance?

Will you try, little try?

Please stop and you remember

We were together, anyway, all right

How you must of think and wondered

How I must feel

Out on the meadows

While you run the field

I'm alone for you

And I cry

The sweat, look at it

Optical promise

Heh, heh, heh

You'll be dead and in hell

Before I'm born

Sure thing

Brides maid

The only solution

Isn't it amazing?
