Well, the clock says it's time to close now  
I guess I'd better go now  
I'd really like to stay here all night  
The cars crawl past all stuffed with eyes  
Street lights share their hollow glow  
Your brain seems bruised with numb surprise  
Still one place to go  
Still one place to go

Let me sleep all night in your soul kitchen  
Warm my mind near your gentle stove  
Turn me out and I'll wander baby  
Stumblin' in the neon groves

Well, your fingers weave quick minarets

Speak in secret alphabets  
I light another cigarette  
Learn to forget, learn to forget  
Learn to forget, learn to forget

Let me sleep all night in your soul kitchen  
Warm my mind near your gentle stove  
Turn me out and I'll wander baby  
Stumblin' in the neon groves

Well the clock says it's time to close now  
I know I have to go now  
I really want to stay here  
All night, all night, all night
