I was doing time in the universal mind
I was feeling fine
I was turning keys
I was setting people free
I was doing all right
Then you came along with a suitcase and a song
Turned my head around
Now I'm so alone
Just looking for a home in every place I see
I'm the freedom man
I'm the freedom man
I'm the freedom man
That's how lucky I am
I was doing time in the universal mind
I was feeling fine
I was turning keys
I was setting people free
I was doing all right
Then you came along with a suitcase and a song
Turned my head around
Now I'm so alone
Just looking for a home in every place I see
I'm the freedom man

I was doing time in the universal mind
I was feeling fine
I was turning keys
I was setting people free
I was doing all right
Then you came along with a suitcase and a song
Turned my head around
Now I'm so alone
Just looking for a home in every place I see
I'm the freedom man
That's how lucky I am
I'm the freedom man
I'm the freedom man

HÃ© lets go
Larry lets get everybody off the stage Larry
Get off the stage Larry
Get off the sage

They are giving a concert
Everybody off the stage
