"Wild Child"

All right
Wild child full of grace
Savior of the human race
Your cool face
Natural child, terrible child
Not your mother's or your father's child
Your our child, screamin' wild
An ancient lunatic reigns
In the trees of the night
Ha, ha, ha, ha
With hunger at her heels
Freedom in her eyes
She dances on her knees
Pirate prince at her side
Starin' into a hollow idols eyes
Wild child full of grace
Savior of the human race
Your cool face
Your cool face
Your cool face
Do you remember when we were in Africa?
