Fuck tha police comin' straight from the underground

A mother fucker got it bad 'cause i'm loud  
I'm not a carbon copy, some police think  
They have the authority to kill a minority  
Fuck that shit, 'cause i ain't the one  
For a punk mother fucker with a badge and a gun  
To be beaten on and thrown in jail  
We can go toe to toe in the middle of a cell  
Fuckin' with me 'cause i'm a teenager  
With a little bit of dough and a pager  
Searchin' my car, lookin' for the product  
Yeah mother fucker i'm selling narcotics  
You'd rather see me in the pen than  
Me and my freinds all rollin' in a benz  
So i beat a police that's out of shape  
When i'm finished, bring the yellow tape  
To tape off the scene of the slaughter  
Still gettin' strong off bread and water  
I don't know if they're fags or what  
Searchin' me down and grabbin' my nuts  
A mother fucker on the war path  
When i'm finished it's gonna th me 'cause i'm a  
teenager  
With a little bit of dough and a pager  
Searchin' my car, lookin' for the product  
Yeah mother fucker i'm selling narcotics  
You'd rather see me in the pen than  
Me and my freinds all rollin' in a benz  
So i beat a police that's out of shape  
When i'm finished, bring the yellow tape  
To tape off the scene of the slaughter  
Still gettin' strong off bread and water  
I don't know if they're fags or what  
Searchin' me down and grabbin' my nuts  
A mother fucker on the war path  
When i'm finished it's gonna be a blood bath  
Of cops dying on my way  
Yeah, i've got something to say

Fuck tha police  
Fuck tha police

Fuck tha police  
Fuck tha police

Fuck tha police and i said it with authority  
'cause my people on the street are the majority  
Lights are flashing behind me  
A bunch of scared little faggots  
So they mase me to blind me  
But that shit don't work i just laugh  
And it gives them a hint not to step in my path  
The police are saying fuck you punk  
Read my rights and shit, it's all junk  
Pullin' out a billy club so you stabe a blood bath  
Of cops dying on my way  
Yeah, i've got something to say

Fuck tha police  
Fuck tha police  
Fuck tha police  
Fuck tha police

Fuck tha police and i said it with authority  
'cause my people on the street are the majority  
Lights are flashing behind me  
A bunch of scared little faggots  
So they mase me to blind me  
But that shit don't work i just laugh  
And it gives them a hint not to step in my path  
The police are saying fuck you punk  
Read my rights and shit, it's all junk  
Pullin' out a billy club so you stand  
With a fake ass badge and a gun in your hand  
But take off the gun so you can see what's up  
We'll go at it punk i'm gonna fuck you up  
Make ya think i'm gonna kick your ass  
But drop your gat and i'm gonna blast  
Taking out a police would make my day  
A mother fucker like me don't give a fuck to say

Fuck tha police  
Fuck tha police  
Fuck tha police  
Fuck tha police
