High

**MotoLyrics** 

What mood is that you wear this time Why do you get high To change the seat your in In time you won't come back again What mood is that you wear this time Why do you get high To change the seat your in In time you won't come back again

High High High High High High

Make light of the weight Time off from hell I could be in These are the words you say What mood is that you wear this time Why do you get high to change the seat and complicate things

High (x6)

What does it take to get you high What will it take to get me high What does it take to get us high Whatever it takes to get you high

High High

You don't like me when i'm high High
