Just something to hold  
And just someone to hate  
And something to blame for all the pain  
I could ignore her  
I could complain  
I never wanted anything  
Why she says  
Everything is crashing down  
Why she said  
Now the tears are falling down  
Jenny is crying  
And I don't know why  
Ane her life's so insane  
So now Jenny is paying me  
Just something to fill the nothing inside  
And something to make her never cry  
Just something to feel me  
Something to hide  
And something to help her say goodbye  
Just something to kill me  
Something to die  
Just something to blow her head off  
Why  
Why she says  
Everything is crashing down  
Why she said  
Now the tears are falling down  
Jenny is crying  
And I don't know why  
Ane her life's so insane  
So now Jenny is paying me  
Do you really want to die?  
Do you really want to die?  
Do you really want to die?  
Don't cry  
Why are you so sad?  
Why am I so bad?  
Don't know what to do  
Jenny is crying  
And I don't know why  
Ane her life's so insane  
So now Jenny is paying

Jenny is crying  
And I don't know why  
Ane her life's so insane  
So now Jenny is paying me  
Don't cry
