Going Down  
We're elevated  
Separated  
Liberated  
Down  
We're dedicated  
Medicated  
And celebrated

Over and over I keep losing myself  
Lower and lower I keep sinking  
Over and over I keep taking myself down

With no regrets  
For anything I did  
And I won't forget  
To do it all again  
With no regrets  
I got no regrets

Going down  
I'm frustrated  
Aggravated  
Obligated  
Down  
I'm suffocated  
Complicated  
And separated

Over and over I keep abusing myself  
Lower and lower I keep sinking  
Over and over I keep beating myself down

With no regrets  
For anything I did  
And I won't forget

To do it all again  
With no regrets  
For anything I did  
And I won't forget  
With no regrets

I got no regrets

Over and over I keep using myself  
Lower and lower I keep sinking  
Over and over I keep beating myself down

Going down  
We're elevated  
Separated  
And Liberated  
Down  
We're dedicated  
And medicated

With no regrets  
For anything I did  
And I won't forget  
To do it all again  
With no regrets  
For anything I did  
And I won't forget  
With no regrets  
I got no regrets  
I'd do it all again  
With no regrets (I'm elevated liberated)  
With no regrets (I'm elevated liberated)
