What cha gunna do that for?
I see the way you're looking at me
And I don't know why

I dunno and I'm not sure
Have you lost your way?
Did you lose your mind?
Are you out of time?

You say goodbye
Like everything's alright
You say goodbye
Like everything's alright

If we go on
It's now or never
If we go on

If we go on
It's now or never
If we go on

What cha gunna do that for?
I'm telling you so tell me
What's it gunna be?

I dunno and I'm not sure
But sooner or later I want to believe
I wanna believe

You say goodbye
Like everything's alright
You say goodbye
Like everything's alright

If we go on
It's now or never
If we go on

If we go on
It's now or never
If we go on

It's now or never
It's now or never
It's now or never
It's now or never

You say goodbye
Like everything's alright
You say goodbye
Like everything's alright

If we go on
It's now or never
If we go on

If we go on
It's now or never
If we go on

It's now or never
It's now or never
It's now or never
It's now or never
