

## Dope "Paranoia"

You say I'm paranoid  
Isn't that what you said  
You say it's my imagination  
And I'm fucked in the head  
P-p-p-paranoid  
And it's easy to see  
Well is it really paranoia  
Or is somebody after me  
Is this going down  
Or is it  
Para-fuckin-noia driving me insane  
Para-fuckin-noia ripping up my brain  
Is it para-fuckin-noia making me believe  
It's either para-fuckin-noia  
Or somebody's after me  
P-p-p-paranoid  
And don't believe what you hear  
You say I've miscommunicated  
And it's all in the clear  
Like a Polaroid  
And it's so easy to see  
Well is it really paranoia  
Or is somebody after me  
Am I freaking out  
Is this going down  
Or is it

Para-fuckin-noia driving me insane  
Para-fuckin-noia ripping up my brain  
Is it para-fuckin-noia making me believe  
It's either para-fuckin-noia  
Or somebody's after me  
Para-fuckin-noia driving me insane  
Para-fuckin-noia ripping up my brain  
Is it para-fuckin-noia making me believe  
It's either para-fuckin-noia  
Or somebody's after me  
Para-fuckin-noia driving me insane  
Para-fuckin-noia ripping up my brain  
Is it para-fuckin-noia making me believe  
It's either para-fuckin-noia  
Or somebody's after me

Para-fuckin-noia  
Para-fuckin-noia  
Somebody's after me  
Para-fuckin-noia  
It's either para-fuckin-noia  
Or somebody's after me
