They're killing me!

Broken my face
Cut me to the bone
Trapped in this hate you imprison me
Gave up my faith, so just leave me alone
Strapped to the pain no forgiving me

So fuckin' Scorn that you wouldn't believe
I fill the tub with gasoline!

Nobody taught me to hate
Nobody taught me to feel
You on showed me your pain
But you never taught me to heal
Tear at the scab, infect the wound
Take another stab at the enemy Light up the blame, fire
up the spoon
Blowin' out me brain 'cuase you're killing me

So fuckin' Scorn that you wouldn't believe
I fill the tube with gasoline!

Nobody taught me to hate
Nobody taught me to feel
You only showed me your pain
But you never tuaght me to heel
Nobody body taught me to HATE!

As I stand and I wait and I learn
I have been scorn
As I live and I die and I burn
I have been scorn

So fuckin' Scorn that you wouldn't believe
I fill the tube with gasoline!

Nobody taught me to hate
Nobody taught me to feel
You only showed me your pain
But you never tuaght me to heel

Nobody body taught me to HATE!
