Simplistic domestic shit life processed to fit in place
Pathetic ascetic shit life depressed to fit in space
Neglected rejected who wants this anyway
Defected directed hating life every day

Who asked you to cry for me
Who asked you to lie for me
Who knows who I wanna be
You ask but you don't ask me

She's pretty how bout me shit life are looks all that you
see
Plastic elastic who wants this anyway
Dynamic satanic and all the things you say

Who asked you to pray for me
Who said to believe in me
Who has to pretend for me
I'm asking you answer me

You think you're somethin
You're fucked in the head
You think you're somethin well I don't think so
You think you're somethin
You're already dead
You think you're somethin well I don't think so

Irritated frustrated shit life won't hear a word I say
Who asked you to write to me
Who asked you to try for me
Who asked you to live for me
Who asked you anything

You think you're somethin
You're fucked in the head
You think you're somethin well I don't think so
You think you're somethin
You're already dead
You think you're somethin well I don't think so
I don't I don't
Well I don't think so.
