I don't wanna know your name
I do want your private number, baby

All I know is that to me
You look like you're lots of fun
Open up your loving arms
Yeah, what's up, what's up

I set my sights on you (and no one else will do)
And I, I've got to have my way now, baby

All I know is that to me
You look like you're lots of fun
Open up your loving arms
Watch out here I come

You spin me right round, baby
Right round like a record, baby
Right round round round

You spin me right round, baby
Right round like a record, baby
Right round round round

I don't wanna be your friend now, baby
I wanna move it just a little bit closer

All I know is that to me
You look like you're lots of fun
Open up your loving arms

Watch out here I come

You spin me right round, baby
Right round like a record, baby
Right round round round

You spin me right round, baby
Right round like a record, baby
Right round round round

All I know is that to me

You look like you're lots of fun
Open up your loving arms
Watch out here I come

You spin me right round, baby
Right round like a record, baby
Right round round round

You spin me right round, baby
Right round like a record, baby
Right round round round
