Break it down like you know it's loaded  
I got it contemplated, I got a sickness to feed  
So break it down like you're undevoted  
Don't need a fucking motive, I hope you're ready to  
bleed

Everybody down on the mother fuckin' floor right now  
Everybody down on the mother fuckin' floor right now

Want your violence  
Mother fucka, show me your violence  
Give me your violence  
Mother fucka, show me your violence, yeah

Break it down, now the blood is flowing  
The body count is growin', I love the sound of the  
screams  
So break it down with the system blowing  
And feel the sickness growin', it's like a fucking  
disease

Everybody down on the mother fuckin' floor right now  
Everybody down on the mother fuckin' floor right now

Want your violence  
Mother fucka, show me your violence  
Give me your violence  
Mother fucka, show me your violence, yeah

So break it down  
Mother fucka, fucka, break it down  
Mother fucka, fucka, break it down  
Mother fucka, fucka, break it down

Everybody down on the mother fuckin' floor right now  
Everybody down on the mother fuckin' floor right now

Want your violence  
Mother fucka, show me your violence  
Give me your violence  
Mother fucka, show me your violence, yeah

So break it down  
Mother fucka, fucka, break it down  
Mother fucka, fucka, break it down  
Mother fucka, fucka, break it down
