"Wake Up"

Dissolved the life in me
You crawled inside of me
You wanted everything
You took it all from me
You walked away from me
You fuckin' talk to me

So now, I'm drunk and I'm miserable
And I like it, oh yeah
I'm hooked on junk and I'm pitiful
And I like it, oh yeah

Wake up
For what?
Wake up
For what?

I hear you're lonely and miserable
And I like it, oh yeah
Hooked on junk and you're pitiful
Do you like it? Oh yeah

Wake up
For what?
Wake up
For what?

Wake up
For what?
Wake up
For what?
Yeah, yeah
