I...Don't wanna know your name  
and I...Do want your private number baby

All I know is that to me  
You look like you're lots of fun  
Open up your lovin' arms  
you want some, want some

I set my sights on you (And no one else will do)  
And I, I, I, I...got to have my way now baby

All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
Watch out here I come

You spin me right round, baby right round  
Like a record, baby right round round round  
You spin me right round, baby right round  
Like a record, baby right round round round

I...don't wanna be your friend now baby  
But I...wanna move in just a little bit closer

All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
Watch out here I come

You spin me right round, baby right round  
Like a record, baby right round round round  
You spin me right round, baby right round  
Like a record, baby right round round round

All I know is that to me  
You look like you're lots of fun  
Open up your loving arms  
Watch out here I come

You spin me right round, baby right round  
Like a record, baby right round round round  
You spin me right round, baby right round

Like a record, baby right round round round
