(You know who the fuck you are...)

Ooh!

There's something about the way you walk,
There's something about the way you bitch and you
nag

And you talk, yeah you talk too much

There's something about you that makes me

Gotta get away, gotta get away yeah yeah

There's something about you that makes me think

You're full of shit

That's right

There's something about the way you smile, yeah

There's something about your dip shit, stupid, dumb
fuck style

There's something about you that makes me

Gotta get away, gotta get away yeah yeah

There's something about you that makes me think

You're full of shit

That's right!

Go fuck yourself!

There's something about you that makes me

Gotta get away, gotta get away yeah yeah

There's something about you that makes me think

You're full of shit!

You're full of shit!

Lemme hear ya,

You're so full, full of shit (that's right)

You're so full, full of shit (4x)

(You got some serious fuckin' issues to work out)

You're so full, full of shit (that's right)

You're so full, full of shit (4x)
