I met doubtful light in the seaside the day.  
And then I knew the secret of the light.  
Instead I got the wing fly to the sky.  
So I felt like becoming soldier chosen for god.

You said that it's lonely to lose me.  
You said that it's terrible that I changed.  
So I'm changing into the beast gradually.  
I'll have to say good-bey to you soon.

I keep flying in this endless sky forever.  
I don't care even if I don't reach at goal at last.  
I only wanna know reason why I be blind.  
And I wanna know myself.

In fact I'm scared forget you.  
So I know that you hold me if I say so.  
I'll leave here before I can't feel you anymore.  
Even if I can't see you again.

I keep flying in this endless sky forever.  
I don't care even if I don't reach at goal at last.  
I only wanna know reason why I be blind.  
And I wanna know myself.  
So I must prove what only I can do.  
No one know.

I keep flying in this endless sky forever.  
I don't care even if I don't reach at goal at last.
