"Common Man"

Lord won't you help me
Make it through the night?
No one can hear me
Lead me to the light
You are the reason
I am here today
Love is the answer
Take me far away

On my own I'm no better than
All alone
I'm a common man

Where are you brother?
I'm feelin' kinda low
Sister and mother
I want to let you know
Can't break the chain
It comes from deep within
Live through the pain
That's underneath my skin

On my own I'm no better than
All alone
I'm a common man

Called by the Siren
Down by the sea
Ghost in the distance
It's callin' me
You are the reason
I am here today
Love is the answer
Take me far away

On my own I'm no better than
All alone
I'm a common man

On my way
I will all I can

I will stay
Just a common man
