Cloudless
Nothing but sky over me
Peacefulness
How in this world could it be

Nameless
Ghostly you shelter my flame
I am helpless
In the black light
It's a shame

I'm in the middle of a dream
I just don't know what it means
I am at war with my fear
And I'm lost
In The Circle, again

Powerless
Only the strong will prevail
Childless
Alone on this ship I will sail
Faceless
You try and reach for my Soul
I'm helpless
In the black light
Down the hole

I'm in the middle of a dream
I just don't know what it means
I am at war with my fear
And I'm lost
In The Circle, again

Childless
Alone on this ship I will sail
Lord I'm helpless
I'm lonely and feeling
So frail

I'm in the middle of a dream
I just don't know what it means
I am at war with the fear (and it can only appear)

And I'm lost
In The Circle, again
