Now you know
Im not a saviour
Let me make it
Understood
And the shirt upon
My back is all i own
I dont wanna be
A loner
So i go against the grain
And i feel the blood
Is rushin through my veins

I cant fake it
And i crucify myself
I have been shot down
By a stone
Im gonna walk
Across the stateline
Gotta take a
Higher road

Im on the great divide
Im sanctified
Be by your side
I hope we dont collide
So let me ride
The great divide
Its beautiful

I dont live in superstition
Gonna let my freak flag fly
Gotta black cat moan
My conscience is
My guide
And i use my intuition
Theres a liar and a thief
And ive been to hell
Before you were my friend

I cant fake it
And i crucify myself
I have been shot down

By a stone
Im gonna walk
Across the stateline
Gotta take a
Higher road

Im on the great divide
Im sanctified
Be by your side
I hope we dont collide
So let me ride
The great divide
Its beautiful

I cant fake it
And i crucify myself
I have been shot down
By a stone
Im gonna walk
Across the stateline
Gotta take a
Higher road

Im on the great divide
Im sanctified
Be by your side
I hope we dont collide
So let me ride
The great divide
Its beautiful

Its beautiful
Its beautiful
Its beautiful
