Baby doll, you wonderful baby doll
Let's go home and tell my mother
That I found a baby brother

I am taking you off the shelf
And showing you off myself

Can't you see it now?
You're taking me walkin'
Holding my [Incomprehensible]
Oh honey, there's no use talkin'
You're a wonderful baby doll

I am taking you off the shelf
And showing you off myself

Can't you see it now
You're taking me walkin'
Holding my [Incomprehensible]
Oh honey, there's no use talkin'
You're a wonderful baby doll

A wonderful baby doll
