Black Hills Of Dakota - Calamity Jane
Doris Day and Howard Keel

Take me back to the black hills,
The black hills of Dakota
To the beautiful Indian country that I love
Lost my heart in the black hills,
The black hills of Dakota
Where the pines are so high that they kiss the sky
above

And when I get that lonsome feeling
And I'm miles away from home
I hear the voice of the Mystic Mountains calling me back
home

So take me back to the black hills
The black hills of Dakota
To the beautiful Indian country that I love

Take me back to the black hills
The black hills of Dakota
The beautiful Indian country that I love

Lost my heart in the black hills,
The black hills of Dakota
Where the pines are so high that they kiss the sky
above

And when I get that lonsome feeling
And I'm miles away from home
I hear the voice of the Mystic Mountains calling me back
home

So take me back to the black hills
The black hills of Dakota
To the beautiful Indian country that I love

To the beautiful Indian country that I love---
