Hey buds, below up is where to grow  
Up with which below can't compare with

Hurry, it's lovely up here  
Life down a hole takes an awful toll  
What with not a soul there to share with  
Hurry, it's lovely up here

Wake up, bestir yourself  
It's time that you disinter yourself  
You've got a spot to fill, a pot to fill  
And what a gift package of showers, sun and love

You'll be met above everywhere with  
Fondled and sniffed by millions who drift by  
Life here is rosy if you're a posy  
Hurry, it's lovely here

Climb up geranium, it can't be fun subterranean  
On the exterior, it's cheerier  
RSVP peonies, pollinate the breeze  
Make the queen of bees, hot as brandy

Come give at least a preview of Easter  
Come up and see the good we're giving  
Come up and see the grounds for living  
Come poke your head out, open up and spread out  
Hurry, it's lovely here
