People are queer, they're always crowing, scrambling
and rushing about
Why don't they stop someday, address themselves this
way?
Why are we here? Where are we going? It's time that
we found out
We're not here to stay; we're on a short holiday

Life is just a bowl of cherries
Don't take it serious, it's too mysterious
You work, you save, you worry so
But you can't take your dough when you go, go, go

So keep repeating it's the berries
The strongest oak must fall
The sweet things in life, to you were just loaned
So how can you lose what you've never owned?
Life is just a bowl of cherries
So live and laugh at it all
