You can tell when you open the door
You can tell if there's love in a home
Every table and chair seem to smile
Do come in, come and stay for awhile

You almost feel you've been there once before
By the shine and the glow of the room
And the clock seems to chime, come again anytime
You'll be welcome wherever you roam
You can tell when there's love in a home

And the clock seems to chime, come again anytime
You'll be welcome wherever you roam
You can tell when there's love in a home
