Our Lips Shouldn't Touch
(Move Over Darlin')
I like ya to much
(Move Over Darlin')
That gleam in your eyes is no big surprise anymore
Cause you've fooled me before
A move and a spin
(Move Over Darlin')
About to Give In
(Move Over Darlin')
And though it's not right I'm too weak to fight it
somehow
Cause I want you right now
The way you sigh has me waving my conscience bye
bye
You can call me a fickle thing but I'm practically yours
forever
Because
I yearn to be kissed
(Move Over Darlin')
How can I resist
(Move Over Darlin')
You've captured my heart
And now that I'm no longer free
Make love to me
(The way you sigh has me waving my conscience good
bye)
You can call me a fickle thing but I'm practically yours
forever
Because
I yearn to be kissed
(Move Over Darlin')
How can I resist
(Move Over Darlin')
Please give me your love
I'm longin for you
I need all your love
Honest I do
You've captured my heart and now that I'm no longer
free
Make love to me
(Move Over Darlin')

Make love to me
(Move Over Darlin')
Make love to me
(Move Over Darlin')
Make love to me
(Move Over Darlin')
(Move Over Darlin')
