Pillow talk, pillow talk

Another night of hearin' myself talk, talk, talk, talk

Wonder how it would be to have someone to pillow talk with me

I wonder how

I wonder who

Pillow talk, pillow talk

Another night of bein' alone with pillow talk

When it's all said and done, two heads together can be better than one

That's what they say

They always say

All I do is talk to my pillow

Talk to my pillow, talk to my pillow

All I do is talk to my pillow

Talk about the boy I'm gonna marry someday

Somehow, some way, sometime

Pillow talk, pillow talk

Another night of gettin' my fill of pillow talk

You and I both agree there must be a boy, must be a pillow

Must be a pillow-talkin' boy for me

I hope I'm right

I'd better be right

Oh, there must be a pillow-talkin' boy for me

(We hope she's right, she'd better be right, there must be a boy)

There must be a boy

There must be a boy

There must be a boy

There MUST be a boy!!
There MUST!!
