(Children)

Please, please don't eat the daisies
Don't eat the daisies please, please

(Doris Day)

Please, please don't eat the daisies
Don't eat the daisies please, please
Here I am waitin' and anticipaten' the kisses I'll get
from you

(Children)

Don't eat the daisies please, please
(Doris)

Please, please don't eat the daisies
Don't eat the daisies please please
I'm so romantic

But I'm gettin' frantic
Wondern' what you're gonna do
Do you love me?

(Children)

Do you love me?
(Doris)

Do you love me not?
(Children)

Love me not
(Doris)

That's what I'm longin' to know
If you love me

(Children)

If ya love me
(Doris)

Love me a lot
(All)

You'll prove it by letting the daisies grow
(Children)

Please, please don't eat the daisies
Don't eat the daisies please, please
(Doris)

Sposen' it showers
While you're eatin' flowers
The hours are wastin' away
Please don't eat the daisies today

Do you love me
Do you love me not
That's what I'm longin' to know
If ya love me
Love me a lot
You'll prove it by letting the daisies grow
(Children)
