You can take the moon
Gather up the stars
And the robins that sing merrily
Put 'em in a box
Tie it with a ribbon
Throw 'em in the deep blue sea
You can take the flowers
Down in lovers lane
And that sentimental poetry
Put 'em in a box
Tie it with a ribbon
Throw 'em in the deep blue sea
Not for me, all that stuff
The dreams that ruin your sleep
Not for me, had enough
Love is one thing you can keep
You can take the plans
And the wedding bells
And whoever sings
