Someone like you  
Cures everything gloomy  
Turns wrong into right, brightens the night  
Brings happiness to me

Makes me luckier than throwin' a seven  
Takes me nearer to heaven  
Than anyone's allowed to do

When your heart is talkin'  
I feel like I'm walkin'  
On a cloud with someone like you

Someday I'll find  
Someone I can boast to  
Somebody to hug, a bug in a rug  
To snuggle up close to

And whenever I do, do  
You know who, who, who  
I'll give the most to

You prey on my mind  
Stay 'til I find  
Someone like you

Someone like you  
Cures everything gloomy  
Turns wrong into right, brightens the night  
Brings happiness to me

Makes me luckier than throwin' a seven  
Takes me nearer to heaven  
Than any other boy could do

My pockets are burnin'  
To spend all I'm earnin'  
On a whirl with someone like you

Someday I'll find  
Someone I can boast to  
Somebody to hug, a bug in a rug

To snuggle up close to

And whenever I do, do  
You know who, who, who  
I'll give the most to

You prey on my mind  
Stay 'til I find  
Someone like you for me  
Until I find someone like you
