I hear music when I look at you  
A beautiful theme of every dream I ever knew  
Down deep in my heart, I hear it play  
I feel it start then melt away

I hear music when I touch your hand  
A beautiful melody from some enchanted land  
Down deep in my heart, I hear it say  
Is this the day?

I alone have heard this lovely strain  
I alone have heard this glad refrain  
Must it be forever in side of me

Why can't I let it go?  
Why can't I let you know?  
Why can't I let you know  
The song my heart would sing?

That beautiful rhapsody  
Of love and youth and spring  
The music is sweet the words are true  
The song is you
