He'd go to the end of the world
Just to be near me
Down to the deepest sea
In search of one word
Just to cheer me
His love for me is so strong
With a love like that we can't go wrong

That's why
I'll do anything he wants me to
I'll, I'll do for him
Anything he wants me to
I'll, I'll do for him

I love love
My love, put no one above him
Yeah I need him
I'll always try to please him

Anything he wants me to
I'll, I'll do for him

He says he loves me more & more each day
And he proves it to me in every way
That why
Anything he wants me to
I'll, I'll do for him
Anything he wants me to
I'll, I'll do for him

He's my baby
Loves is so strong
Can't be wrong
Anything he wants me to
I'll, I'll do for him
Anything he wants me to
I'll, I'll do for him
