All alone, and night is falling
All along, I hear you calling
Telling lies, and sad goodbyes
The secrets will be safe inside of me
As long as I'm alive
You'll always be a part of me
As long as I'm alive
As long as I'm alive
For you I'll always keep the fire burning
Inside
I will keep this love alive
Let our souls be the first me satisfy
I will keep this love alive
Oh let our hearts be the only guide we follow
Everybody knows, you can't build a wall around us
I believe, time will tell
Our hearts will stay forever locked together
As long as I'm alive
For you I'll always keep the fire burning
Inside
Ahohoh I will keep this love alive
Let our souls be the first we satisfy
I will keep this love alive - ohohoh
Let our hearts be the only guide we follow
As long as I'm alive
As long as I'm alive
For you I'll always keep the fire burning
Inside
Ohoh I will keep this love alive
Let our souls be the first we satisfy!
I will keep this love alive - ahahohohoh
Let our hearts be the only guide we follow
As long as I'm alive - yeah! (ahah)
Oh!
