Feels your life is just a living hell
But you know that you can
That you could do it well
Come on
You only live to tell
Always live to win
Say never die
You know that is the way
You will always try
Come on
You only live to win

[Chorus]
Cos this life is a game
Where you only live to win
Life is a pain
But it pays off in the end
Life is in vain
If you do not give everything
Life is a game
And you always
Always life to win

Yeah Yeah Yeah Yeah
Yeah Yeah Yeah Yeah
Yeah Yeah Yeah Yeah

Many times is just a mile away
You know that it is now
That you reach your aim
Come on
You only go ahead
It is getting harder
More and more you try
It takes what it takes
In an endless fight
Come on
It has only one more step

[Chorus]
