Laying low on money  
And I'm on the run  
Don't know anybody  
I can lean on

No help in sight, no  
And no one gets the phone  
I call for help  
And no one knows what's going on

And I keep on running  
'Cause eye to eye  
I feel your influence  
And I fear I'm gonna die  
And I've seen it coming, lie by lie  
I feel you creep into my brain  
And I'm hypnotized  
Feel like hypnotized

When I met my lover  
I must have been blind  
I went straight to the gutter  
And I didn't mind

Yeah it took a long time  
To open up my eyes  
But in the long run  
All I heard were only lies

And I keep on running  
'Cause eye to eye  
I feel your influence  
And I fear I'm gonna die  
And I've seen it coming, lie by lie  
You creep into my brain  
And I'm hypnotized  
Feel like hypnotized

Eye to eye  
Lie by lie  
Feel like hypnotized

Like hypnotized

And I keep on running  
?Cause eye to eye  
I feel your influence  
And I fear I?m gonna die  
And I?ve seen it coming, lie by lie  
You creep into my brain  
And I?m hypnotized  
Feel like hypnotized

And I?ve seen it coming, lie by lie  
I feel you creep into my brain  
And I?m hypnotized  
Feel like hypnotized  
Feel like hypnotized  
Lie by lie  
Like hypnotized  
Feel like hypnotized
