would you like a woman who's been around the  
worldwould you like a woman who is like a little  
girlwould you like a woman who is strong and  
toughwould you like a woman who could never, ever  
get enoughwould you like it on a yachtwould you like it  
on the dockwould you like it in a planewould you like it  
on a traindo you like itdo you like it like thatdoes it  
make you hot, babyis it givin' you a heart attackdo you  
like it, like itwould you like a woman who is just a little  
meanwould you like a woman who is just a little  
naivewould you like a woman who is sensitive to your  
touchwould you like a woman who wants to tie you  
upwould you like it in a carwould you like it in a  
barwould you like it on the streetwould you like it on  
your feetdo you like itdo you like it like thatdoes it  
make you hot, babyis it givin' you a heart attackdo you  
like it, like itwould you like a woman who is like a work  
of artwould you like a woman who is gonna break your  
heartwould you like a woman sweet an shy and  
plainwould you like a woman you could never  
tamewould you like it in your bedwould you like it in  
your headwould you like it on the phoneyou must cause  
you're all alonedo you like itdo you like it like thatdoes  
it make you hot, babyis it givin' you a heart attackdo  
you like it, like it
