"Fight"

Never a day going by that I'm not afraid
And I sleep in the dark with one eye awake
I'm often left without a thing
cause I can't fake it at all
I seek the truth, withstand the pain
And I know what I feel

[Chorus]
When I feel my heart is right
I gotta fight
And I hope we stand alike
We gotta fight
Gotta fight

Oooh, something there underneath
that should never be ignored
Like a lie that fades away
but will never lead to truth
I'm often left without a thing
cause I can't fake it at all
I seek the truth, withstand the pain
And I know what I feel

[Chorus]
When I feel my heart is right
Gotta fight
And I hope we stand alike
Gotta fight
Gotta fight

Ooooooh, oooooh
Nobody cares and nobody dares
Such a lonely way
Nobody cares and nobody dares

Cause I know what I feel

[Chorus]
When I feel my heart is right
Gotta fight
And I hope we stand alike

Gotta fight
And I know I will survive
Gotta fight
And I hope we stand alike
Gotta fight, Gotta fight
Gotta fight, Fight
